The diagram illustrates a replacement sheet (FIG. 5, Part III Face, 300) with various fields and labels. The sheet is divided into several sections by dashed lines. At the top, there is a row of circular perforations. The main body of the sheet is divided into two main horizontal sections. The upper section is labeled 314 Response Detail and contains a box 312 Sender's Mailing Address and a box 304 Customer's Mailing Address. The lower section is labeled 316 Message Detail and contains a box 302 Sender's Return Address and a box 310 Customer's return address. A box 362 is located at the top left, containing the text "Please return this portion with your response. Thank You!". A box 364 is located at the bottom left, containing the text "Customer's return address". A box 360 is located at the top right, containing the text "Sender's Mailing Address". A box 350 is located at the bottom right, containing the text "Customer's Mailing Address". A box 610 is located at the top left, containing the text "Sender's Return Address". A box 612 is located at the bottom right, containing the text "Customer's Mailing Address". A box 640 is located at the top left, containing the text "Please return this portion with your response. Thank You!". A box 610 is located at the top left, containing the text "Sender's Return Address". A box 612 is located at the bottom right, containing the text "Customer's Mailing Address".
